

## 6.5 MM Waterproof Luxury Vinyl Floors

Drift away to a windswept coast where seafoam kisses the shore and every step feels like a salty breeze. The Emerald Isle Collection, inspired by the untamed beauty of coastal landscapes, is a waterproof WPC flooring that brings the magic of the shoreline indoors with a palette of six striking colors to complete your seaside story. Picture sandy footprints, the scrape of beach chairs, or puddles of sea water, Emerald Isle is built to endure it all with scratch and stain resistance. With a Lifetime Residential and 10-Year Light-Commercial Warranty, 20 mil wear layer, and Enhanced Ceramic Bead coating, this collection isn't just made to impress, it's made to last season after season. Let Emerald Isle turn your home into a harbor of calm, character, and coastal charm.
