

## Velocity, Journey, and Sojourn Collections

### One beautiful color palette. Three different options.

With its waterproof gluedown luxury vinyl collections, Palmetto Road offers a streamlined selection while opening the door to possibilities. Eight ontrend colors available in 6 mil (**Velocity**), 12 mil (**Journey**) and 20 mil (**Sojourn**) options create stylish and durable flooring solutions for residential, commercial, and multifamily installations. Each collection offers realistic wood visuals with a reliable urethane ceramic bead finish.

#### FEATURES & BENEFITS

- Identical visuals in 3 different wear layer options
- 100% waterproof solid vinyl gluedown construction
- Ceramic bead finish resists everyday scuffs and scratches
- Surface texture mimics look of real wood
- Perfect for multiple applications from residential, multifamily, and commercial
- FloorScore® Certified
