Distributor of
Protect-All® Flooring

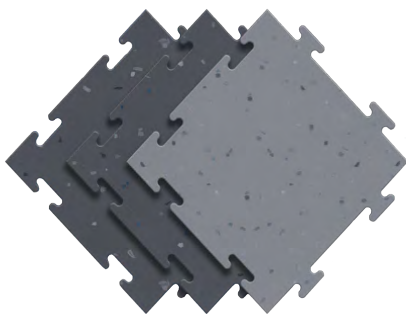

Protect-All Interlocking Tiles offer an instant flooring solution for temporary or permanent flooring applications - and most of the same great benefits of a permanent Protect-All floor. Quick and easy to install, these 18" x 18" interlocking tiles are suitable for indoor and outdoor use. Their interlocking tabs hold them together, eliminating the need for adhesives or special installation equipment.

Characteristics

- Excellent traction: wet or dry
- Resistant to common fats, acids, and greases
- Resistant to stains, odors, and fluids
- Shock absorbing and impact-resistant
- Available in matte and gloss finishes
