About the Collection

Veranda's Asheville Collection brings natural beauty and artistry together for a truly mesmerizing premium hardwood flooring collection. Featuring aged French Oak hardwood in generous 9.4" width planks, Asheville's beauty is enhanced by a wire-brushed texture with a dramatic new 3-D effect. Gracefully blending colors that are reminiscent of stone, sepia, pebble, and bark, Asheville's breathtaking palette is both ethereal and warm. The artistic technique of smoking and fuming each board only enhances the stain color to create a truly one-of-a-kind style. Crafted to last a lifetime, the Asheville Collection is a treasured addition to any home.
