GRADE LEVEL & INSTALLATION	On, Above, Below Glue, Nail, Float Adhesive: Palmetto Road MS Polymer or Urethane
WARRANTIES	Limited Lifetime Residential Finish & Structural, 5 Year Commercial Finish & 10 Year Commercial Structural

ST. AUGUSTINE COLLECTION

Simple beauty and modern sophistication

Crafted with the utmost precision and true appreciation for the natural beauty of hardwood, the St. Augustine Collection from Veranda takes its name from the historic Floridian seaside town. Just as the enchanting city has stood the test of time, Veranda's luxury hardwood floors are designed to endure for generations. Milled from fine Northern Oak hardwood, the St. Augustine collection features clean visuals with minimal color contrast or tone variation and filled knots. The installed look is a classic and smooth hardwood design. The ultra thick 4mm wear layer and 12 coats of UV Cured Aluminum Oxide finish provides lasting durability and guaranteed quality.
